

Shared Bathroom Guidelines

— ♦ —

Each renter's individual responsibilities

Wipe the sink and toilet after each use to leave them clean.

Wipe up any spills on the floor around the toilet.

Leave the floor dry after your shower.

Put **nothing in the toilet** other than toilet paper — not even "flushable" wipes.

Report **clogs or leaks** promptly to management.

Keep Things Clean & Functioning

Thanks for doing your part ❤
