

## Shared Bathroom Guidelines

Renters share responsibility to keep the bathroom clean.

---

**Wipe the sink and toilet** after each use to leave them clean.

**Wipe up any spills** on the floor around the toilet.

**Leave the floor dry** after your shower.

Put **nothing in the toilet** other than toilet paper — not even "flushable" wipes.

**⚠ Report clogs or leaks promptly to management.**

---

**Let's keep things clean and functioning for everyone!**

Thanks for doing your part ❤
